Dear Parents/Guardians;

We would like to present our 2nd Edition of the monthly Department of Defense Education Activity (DoDEA) school newsletter. It will inform you of upcoming events, important announcements, and any additional pertinent information for the month and/or upcoming months.

We are pleased to inform you, that in January we opened the DoDEA Parent Center. Our vision of the Parent Center is to create a welcoming place with resources for parents to support their student's education. We see the Parent Center becoming a place for parents/guardians to meet other parents and to offer assistance in implementing Positive Behavior Interventions and Supports (PBIS) in the school.

We would like the DoDEA Parent Center to become a place where parents have opportunities to discuss challenges and successes in parenting, as well to support school activities. The Parent Center will be located next to the computer lab and will be open as needed and/or when school is also in session. For additional information, call the Guidance Office at 575-812-6417.

** If you are interested in being a Parent Center Parent Liaison, please contact Mr. Suarez at 575-812-6417.
