Ms. Joyner's Culinary Class has been busy baking 1,200 gingerbread men to be sold at First National bank, decorating gingerbread houses for charities for the First National Bank (FNB), and making breakfast burritos for the Lady of the Mountain Run that FNB sponsors. The cooking done by Culinary class is not for profit....all profit goes to FNB for local charities.

Attention 8th Grade Parents:

During the spring semester of a student's 8th grade year, we begin the planning process for a smooth transition to high school. As part of this process, 8th graders begin formulating what is called a Next Step Plan. The purpose of the plan is to target the student's postsecondary interests, and set forth the studies he or she will complete during high school in order to be on track for graduation. The district has implemented an online program called MajorClarity that will enable us to complete the plan online. A user-friendly program will allow student and you to have access at home. Mountain View Middle School will begin the Next Step Plan process in January by helping each student complete a career interest inventory. This will take place in the student's science class with Mrs. Bloom. We encourage you to sit down with your student and be part of the process in order to help them plan for their future! If you have any questions about the program, please contact Teresa Hopkin, MVMS Counselor at 575-812-6418 or please feel free to drop by the Guidance Office.

Dear Parents and Guardians of MVMS,

Here we are in December and the New Year is upon us. The first semester is going by very quickly. Life at school continues to be very busy and dedicated to teaching and learning. The staff and students are working diligently to end the first semester and get ready for the start of the second semester.

We welcome and encourage all parents and guardians to please take an active role in attending our school PTAC and DoDEA Parent Group meetings that are held monthly, attend our athletic activities, and attend our amazing band, orchestra, and choir concerts, as well other school sponsored activities. We continue to REACH for success because we are Jaguars. Jaguars have Respect, Effective Communication, Accountability, Courtesy and Kindness, and Humor.

We would like to take this opportunity to thank the staff, students, and parents for your continued support. The new year will bring new learning experiences, new challenges and growth opportunities, and lots of fun. We look forward to what lies ahead of us as a school community working together to make Mountain View the best it can be in 2019!

We wish you all the Peace, Joy, Hope, and Happiness during this Holiday season and throughout the New Year.

Respectfully,
Moises Cardiel
Principal
