

DoDEA Parent Center

Don't forget the parent center is available for parents to use during school hours.

If I didn't have the opportunity to meet you during registration week, my name is Eveline Lugo. I am this year's Parent Liaison. My goal is to get as many parents as possible involved to support school activities. As parents, we want the best for our children and when families get involved, students have a more positive outlook of school. The feeling of support from both school and home allows them to have higher self confidence, feeling that school is important and they tend to do better in school. At risk students with behaviors such as alcohol use, violence, and any other anti social behaviors decrease as parent involvement increases.

Some benefits when parents get involved include:

- Higher Test Scores
- Better Grades
- Better Attendance
- Higher level of homework completion
- More positive student motivation
- Improved attitudes about school work

Purpose of Parent Center:

Designed to be a welcoming place with resources to support our children and also a place where parents can meet other parents and discuss challenges in parenting as well as successes to support school activities.

We will be planning a few activities this year and we hope to get lots of parents to attend!

Looking forward to a great school year!

Eveline Lugo

Welcoming words from our Principal, Moises Cardiel and Assistant Principal, Ms. Alicia Edgin

We are excited to begin another year here at Mountain View Middle School (MVMS). We are blessed to have new teachers and staff this year. We have a new assistant principal this year and her name is Alicia Edgin. She comes to us with lots of passion, enthusiasm, and experience. An excellent addition to our school family. MVMS staff works diligently to make sure every student receives the best education possible. Your students and our staff value your support and encouragement. If your student is struggling in any area, please contact your student's teacher(s) or counselors about your concerns. We are offering after school tutoring to help and support every student. We are designated as a Title I school which allowed us to receive funds to help pay for after school tutors and professional development for teachers. The school's administrative team has an "open door" policy for all parents/guardians if we are available. If not available, please leave your contact information and we will get back to you as soon as possible. Again, we are so excited to be back and are looking forward to working with you and your student.

We thank you for entrusting your child's education to us!

WELCOME BACK !

We hope everyone has had a great start to this school year!

Just to Note:

* First 9 weeks Honor Roll Award ceremony will be on Oct 26 during extended lunch hours.

* Student Council is hosting the Halloween Haunted House and Dance on Oct 27, 7:00 to 9:00 pm.

* Veteran's Day Observance Assembly will be on Nov 9 @ 1:30 pm in our Gym.

* After School TUTORING is ongoing Monday - Thursday from 3:15 pm to 4:30 pm.

* This year lunch is FREE to all students.

* Student grades and attendance can be tracked online using ParentVUE, a great tool to monitor the progress of your student. You can also email teachers. Please come to the Guidance Office with a picture ID to obtain an activation key.
